Tonya –

I just sent the Final Report (draft) and the updated Building Demo FFS via our FTP system. You should receive a download link. Please let me know if you need anything else. We await your review of the Final Report.

Thanks,

Mike

P.S. You probably know this, but Erin wanted the Final Report written at a simplified level for public understanding. I think I made it to a high school level, but I couldn't get it down to an 8th grade level.
